FACILITY NAME & ADDRESS

Facility Name	Facility Type	Facility Address
National Hospital Organization Shibukawa Medical Center	Hospital or Medical Center	383 Shiroi, Shibukawa, Gunma, Japan, 377-0280

FACILITY CONTACTS

Primary FPM?	Name	Email Address	Roles
Yes	Naoi, Takahiro	naoi.takahiro.cu@mail.hosp.go.jp	Facility Profile Manager

THERAPEUTIC AREAS & PATIENT POPULATION

Therapeutic Area(s)		
Therapeutic Area	Sub Therapeutic Area	
Bacterial Infections and Mycoses	Bacterial Infections	
Bacterial Infections and Mycoses	Central Nervous System Infections	
Bacterial Infections and Mycoses	Infection	
Bacterial Infections and Mycoses	Mycoses	
Bacterial Infections and Mycoses	Zoonoses	
Cardiovascular Diseases	Kidney Diseases	
Cardiovascular Diseases	Metabolic	
Cardiovascular Diseases	Cardiovascular Abnormalities	
Cardiovascular Diseases	Cardiovascular Infections	
Cardiovascular Diseases	Heart Diseases	
Cardiovascular Diseases	Pregnancy Complications, Cardiovascular	
Cardiovascular Diseases	Vascular Diseases	
Chemically-induced Disorders	Drug-Related Side Effects and Adverse Reactions	
Chemically-induced Disorders	Poisoning	
Chemically-induced Disorders	Substance-Related Disorders	
Digestive System Diseases	Inflammatory Bowel Disease	
Digestive System Diseases	Biliary Tract Diseases	
Digestive System Diseases	Digestive System Abnormalities	
Digestive System Diseases	Digestive System Fistula	
Digestive System Diseases	Digestive System Neoplasms	
Digestive System Diseases	Gastrointestinal Diseases	

Therapeutic Area	Sub Therapeutic Area	
Digestive System Diseases	Liver Diseases	
Digestive System Diseases	Pancreatic Diseases	
Digestive System Diseases	Peritoneal Diseases	
Disorders of Environmental Origin	Environmental Illness	
Disorders of Environmental Origin	Preconception Injuries	
Endocrine System Diseases	Adrenal Gland Diseases	
Endocrine System Diseases	Bone Diseases, Endocrine	
Endocrine System Diseases	Diabetes Mellitus	
Endocrine System Diseases	Dwarfism	
Endocrine System Diseases	Endocrine Gland Neoplasms	
Endocrine System Diseases	Female Athlete Triad Syndrome	
Endocrine System Diseases	Gonadal Disorders	
Endocrine System Diseases	Parathyroid Diseases	
Endocrine System Diseases	Pituitary Diseases	
Endocrine System Diseases	Polyendocrinopathies, Autoimmune	
Endocrine System Diseases	Thyroid Diseases	
Endocrine System Diseases	Tuberculosis, Endocrine	
Eye Diseases	Asthenopia	
Eye Diseases	Cogan Syndrome	
Eye Diseases	Conjunctival Diseases	
Eye Diseases	Corneal Diseases	
Eye Diseases	Eye Abnormalities	
Eye Diseases	Eye Diseases, Hereditary	
Eye Diseases	Eye Hemorrhage	
Eye Diseases	Eye Infections	
Eye Diseases	Eye Injuries	
Eye Diseases	Eye Manifestations	
Eye Diseases	Eye Neoplasms	
Eye Diseases	Eyelid Diseases	
Facility Profile Export generated on Mon. 19, Jun. 2023 04:16:00 GMT-05:00

Other Areas of Expertise				
Study Phase Capabilities				
Phase I; Phase II; Phase IV				
Other Facility Details				
Do you have Affiliated Research Sites or Satellite Sites/Clinics? A Satellite Site is a secondary clinical trial subjects, usually this is the same investigator who sees subjects at the primary sites.	-	No		
What study types does your Facility have experience with?	Industry; Investigator Initiated; Academic; Government			
Is your Facility affiliated with a government agency or part of a government funded health service? Yes				
Patient Population				
Patient Population Demographics		Adults - Ages 18-64; Geriatrics - Greater than or equal to 65		
Patient Population Comments				

IRB/ERB/ETHICS COMMITTEE

General Questions	
What is the average time (in days) to start a study once you have received the regulatory package?	Less than 30
Does your Facility perform IRB/ERB/Ethics Committee submissions?	Yes
Does your Facility have a Facility or group to perform IRB/ERB/Ethics Committee submissions?	Yes
Department Contact Name	Department
Department Contact Phone Number	0279231010
Department Contact Email Address	207-chiken_mbx@mail.hosp.go.jp
Is your Facility able to initiate study activities prior to IRB/ERB/Ethics Committee protocol approval?	Yes
What types of IRB/ERB/Ethics Committee does your Facility use?	Central Acting as Local; Local; Sponsor Provided Central
Does your institution and/or local regulation mandate the distribution of safety reports [e.g., Development SafetyUpdate Report (DSUR), suspected unexpected serious adverse reaction (SUSAR)] to a local Review only IRB/ERB/Ethics Committee?	Yes
Are there any other steps that the Sponsor should be aware of for your IRB/ERB/Ethics Committee review and submission?	No
Other Steps Explain	

LOCAL IRB/ERB/ETHICS COMMITTEE

Local IRB/ERB/Ethics Committee: Institutional Review Board	of National Hospital Organization Shibukawa Medical Center	
IRB/ERB/Ethics Committee Name		Institutional Review Board of National Hospital Organization Shibukawa Medical Center
Address		202 Chirai Chibukawa shi Cuma Jana 2770200
Registration#		Registering Body
NA		NA
What is the meeting frequency of the IRB/ERB/Ethics Commit	tee?	Other
Other	every two month	
How long before IRB/ERB/Ethics review is the Submission Packet required?		2 weeks
Does the IRB/ERB/Ethics Committee require payment prior to	release of final approval documents?	No
Does the IRB/ERB/Ethics Committee require contract/budget	approval prior to release of final approval documents?	No
LOCAL IRB/ERB/ETHICS COMMITTEE ATTACHMENTS		
Document Type	Document Name	Document Description
No Records		1
OTHER REVIEW BOARDS		

Does your Facility have Other Review Boards that need to approve the study prior to IRB/ ERB/Ethics Committee submission? For example, scientific, radiation safety committees, or others.		
example, scientific, radiation safety committees, or others.	Does your Facility have Other Review Boards that need to approve the study prior to IRB/ ERB/Ethics Committee submission? For	or
	example, scientific, radiation safety committees, or others.	

Local Lab

Is your Facility using a Local Lab?	Yes
-------------------------------------	-----

Local Lab. Clinical Trial Management Office				
Local Lab: Clinical Trial Management Office		Clinical Trial Management Office		
Lab Name		Clinical Trial Management Office		
Lab Contact First Name		Takahiro		
Lab Contact Last Name		Naoi		
Address		383 Shiroi, Shibukawa-shi, Gunma, Japan, 3770280		
Phone Number		+81279231010		
Fax Number		+81279231011		
Email Address				
Local Lab Accreditation		Others		
Other Local Lab Accreditation 日本医師会臨床検査精度管理調査				
Additional Questions				
Does your Facility have a SOP/written procedure for documen	ting bio-specimen (Sample) processing steps/chain of custody?			
Do your written procedures ensures that study-specific temper	rature bio-specimen storage requirements are known to responsib	ole		
staff to ensure compliance?				
What is the system or tool that the site currently has or utilizes Custody?	to document Bio-specimen (Sample) Processing Steps/ Chain of			
Please indicate tissue collection and processing capabilities at	t your site?			
Does your Facility has established processes to oversee staff specimen processing?	compliance with study-specific lab manual instructions for bio-			
What are your Facility's capabilities for tissue collection and/or	r processing (embedding)?			
Are LOINC codes available for the Local Lab? (If Yes, you car	upload the relevant LOINC list as an attachment in Lab			
Documentation)

CONSENT & TRAINING

Consent	
Does your Facility have a written SOP/Policy/Procedure for: Informed Consent?	Yes
Does your Facility have a written SOP/Policy/Procedure for: Minor Assent for Pediatric Populations?	No
Does your Facility have a written SOP/Policy/Procedure for: Other Vulnerable Populations?	No
Will your Facility require language translations for consents?	Yes
Select the required languages	Japanese
If located in the US, has your Facility used or are you able to use the informed consent short form?	Not Applicable
Training	
Does your Facility have a training program for the research staff?	Yes
Does the course content include GCP?	Yes
Does your Facility use an external program to conduct research training?	Yes
Please provide program course name.	eAPRIN
Do you have a process or program in place to retrain research staff when a protocol is amended?	No
Does the study staff that prepares or transports dangerous goods have training that meets the IATA International Air Transport Association (US) or other countries hazardous training requirements for shipping dangerous goods?	No

FACILITY & EQUIPMENT

Facility Capabilities	
Can your Facility support patient visits on weekends?	Yes
Can your Facility support in-patient admissions for research studies?	Yes
Does your study staff have sufficient English knowledge to understand communications in English?	No
Does your Facility have access to translators and translation support for trial conduct (e.g. consent, trial specific instruction)?	No
Does the Facility have storage space for Study-Related materials (e.g. Lab Kits, Patient Materials, etc.)?	Yes
Is the lab kit storage space able to support early phase studies which may require an increased number of kits?	Yes
Does your Facility have the ability to collect and store PK/PD specimens?	Yes
Does your Facility have the ability to collect PK/PD samples beyond normal business hours?	Yes
Does your Facility typically allow the collection of Pharmacogenomic (PGX) samples for research purposes?	Yes
Equipment	
Identify the Diagnostic Equipment available at or near the Facility to support Research studies?	Computerized Tomography Scan; Dual-Energy X-ray Absorptiometry or Bone Densitometry; Magnetic Resonance Imaging; Fluoroscopy; X-Radiation; Magnetic Resonance Angiography; Magnetic Resonance Spectroscopy; Mammography; Nuclear Medicine (e.g.Bone scan,Thyroid scan,Thallium cardiac stress test); Electrocardiogram
General Equipment	
Does your Facility have an SOP or process that ensures routine calibration and maintenancof general equipment? Examples of general equipment include: scale, pulse oximeter, stadiometer, sphymomanomer, etc.?	Yes

Equipment Capabilities: Refrigerator (2 to 8 Degrees C)	
Do you have the ability to generate a temperature monitoring log for this equipment?	No
Does this equipment provide Min/Max Temperature Monitoring?	No
How frequently can temperature measurement occur? Check the most frequent measurement your equipment can support.	Not Applicable
Does this equipment have back-up power?	Yes
Does this equipment have a temperature alarm?	Yes
Do you have an SOP which supports calibration of this equipment?	No
Equipment Capabilities: Refrigerator (-70 to -80 Degrees C)	
Do you have the ability to generate a temperature monitoring log for this equipment?	No
Does this equipment provide Min/Max Temperature Monitoring?	No
How frequently can temperature measurement occur? Check the most frequent measurement your equipment can support.	Not Applicable
Does this equipment have back-up power?	Yes
Does this equipment have a temperature alarm?	Yes
Do you have an SOP which supports calibration of this equipment?	No

Computer Capabilities		
Does your Facility have computers which are dedicated to res	search studies?	Yes
What type of computer operating system(s) does your institut	ion use to support studies?	Windows (Windows XP, Windows 7, Windows 8, etc.)
What type of internet access does your Facility have?		Cable or DSL; Wi-Fi
Does your Facility limit or prohibit access and use of external submit documents to sponsors or CROs)	web-based tools or sites for clinical research? (e.g. web portals	s to No
Does the Facility have access to local IT support?		I don't Know
Does your Facility prohibit the use of an external USB device device)?	(e.g. to download and send data from a temperature monitoring	g No
Business Continuity Plan		
Does your Facility have Business Continuity Plan (BCP) to processes will be performed during a crisis at your Facility?	otect essential business operations which describes how those	No
Attach Your BCP or SOP

No Does the Investigational Product Storage Room provide Min/Max temperature monitoring? No
Is the Investigational Product Storage Room secured with controlled access? Do you have the ability to generate a temperature monitoring log for this Investigational Product Storage Room? No Does the Investigational Product Storage Room provide Min/Max temperature monitoring? No
Do you have the ability to generate a temperature monitoring log for this Investigational Product Storage Room? No Does the Investigational Product Storage Room provide Min/Max temperature monitoring? No
Does the Investigational Product Storage Room provide Min/Max temperature monitoring?
Does the Investigational Product Storage Poom have back up newer?
Does the Investigational Product Storage Room have back-up power? Yes
Does the Investigational Product Storage Room have a temperature alarm?
Do you have an SOP which supports calibration of this equipment?
Does your Facility have the ability to manage on-site or off-site destruction of Investigational Product? Yes
Does your Facility have a written SOP/Policy/Procedure for destruction of Investigational Product? No
Do you provide your Satellite Site(s) with a dedicated inventory of Investigational Product? Not Applicable
Does your Facility have a written SOP/Policy/Procedure to ensure that Investigational Product is appropriately maintained during Not Applicable
transportation to Satellite Site(s)?
Describe additional Investigational Product Storage And Handling Capabilities
Preparation and Administration Of Investigational Product
Identify the Investigational Product preparation capabilities at your Facility Extemporaneous Preparation; Vertical lamina
hood (chemo/hazardous drugs)
Is your Facility capable of administering infusions?
Is your Facility adequately staffed to support studies with both blinded and un-blinded Investigational Product? Yes
Controlled Substances
Does the Facility have the required licenses or registrations to receive, store, dispense and return controlled substances as Yes
required by local law?
Is the storage area for controlled substances securely constructed with restricted access in accordance with local law? Yes
Is the storage area for controlled substances securely constructed with restricted access in accordance with local law? Yes Does the Facility have the ability to handle radio-labelled Investigational Product? Yes

SOURCE DOCUMENTATION & REMOTE MONITORING

Source Documents	
What type of source documents will be used?	Paper; Electronic
Does your Facility have secure storage for patient records?	Yes
Does your Facility have patient record archiving on-site?	Yes
Provide Location name and address of any offsite archives	
What type of investigator site file/regulatory binder used (select all that apply)	
What investigator site file (eISF) / eRegulatory system do you use?	
Are monitors able to access eISF/eReg while off-site?	
Please list any access limitations/ requirements for eISF/eReg	
Electronic Medical Records (EMR) / Electronic Health Records (EHR)	
Do you have Electronic Health Records (EHR)/ Electronic Medical Records (EMR)?	Yes
What EMR/EHR system do you use?	In-house system
For Facilities with satellite sites, where is the monitor required to access source documents?	Main Facility Only
Please list any access limitations/requirements for the Electronic Medical Records.	
Do you work with a vendor that can electronically exchange data for clinical research from the EHR/EMR?	No
Do you have institutional approval to export data from the EHR/EMR for the clinical research?	No
Are monitors able to access EHR/EMR while off site?	No
Does your Facility require Sponsor representative to sign any local form (paper or electronic) for access, or any other purpose?	No
Monitoring	
Check all equipment that will be available to Monitors:	Phone; Fax; Copy Machines; Internet Access
What Electronic Data Capture (EDC) systems has your staff used for clinical trials?	Oracle Inform; Medidata Rave; Others : Cerba Research, CENDUIT, FIRECREST, ALMAC, ERT
Describe Other EDC Systems	Cerba Research,CENDUIT,FIRECREST,ALMAC,ERT
Does your site/institution and/or local regulations allow remote source data verification of study participant data to support remote monitoring?	Yes
Which of the following capabilities are available to support remote source data verification? (Check all that apply)	Video Conferencing; Can send pseudo anonymized certified source documents via secure transfer
