ADDITIONAL INFORMATION
Please provide additional information not captured in other sections of the Facility Profile that you feel is
important for Sponsors to know about your Facility. Please reference the section name, if applicable.
FACILITY ATTACHMENTS
Upload any non-study specific Facility documents that have not been included in other sections of the
profile. Lab, IRB/ERB/Ethics Committee, Investigational Product and Controlled Substance
documentation should be included in those sections. The document type drop-down list provides
examples of the type of documentation to be included in this section.
